The Solution

(126) RT410FL-260W
34,151 Lumens
130 Lumens Per Watt
Replaced (108) 1000W MH

Solarone®

LED Sports Lighting

Enhance Athletes' Performance

The Results

Morgan State University
(126) Mledtech RT410FL-260W LED Sports Lights
80FC Average
Uniformity 0.60

Morgan State University
(108) 1000W Metal Halide Flood Lights

SolaroneVision approaches each project as a unique opportunity to exceed the customers', the players' and the observers' expectations in terms of improved lighting delivered, improved visual comfort and operational savings. Our process steps help streamline this effort. We will meet directly with financial decision makers to go over final proposal in detail. SolaroneVision will work with the customer's contractor to provide them with detailed computer aiming points which can be set while on the ground.
